text/call (202) 780-6297 | 1E06@anc.dc.gov | anc1e06.com

Hi, I'm Josh,

And I am thankful to represent our portion of Lower Georgia Avenue. The community elected me to serve a two year term for 1E06 representing ~2,000 people. Our district is bounded by Georgia and Sherman from east to west and Fairmont to Barry from north to south, including the Howard Plaza Towers.

What are ANCs?

ANCs are your voice in DC government for matters that affect our neighborhood, such as housing/zoning, transportation, business licenses, and public amenities.

DC voters elect 345 unpaid commissioners to 2-year terms, with Georgia Ave's 1E Commission consisting of 7 single-member districts. ANC 1E is brand new as of Jan 2023.

NEIGHBORHOOD NEWS YOU CAN USE

- Trash Pickup**
 DPW said trash will be picked up on a normal schedule this week once the alleys are plowed. I'm working on getting more information on timing since the plowing was supposed to have happened Tuesday. Please email me if you'd like email updates on DPW trash pickup plans and plowing of the alley.
- Trash Reminders**
 Help us keep the neighborhood clean by using 311 when disposing of large items or yard waste. Reach out to me if you have any questions!

- Commission Officers and Committee Appointments**
 At our January meeting, ANC 1E elected new officers. I am honored the Commission chose me to be chair and looking forward to working with everyone on facilitating improvements to Georgia Ave. If you are interested in serving on one of our committees (Transportation and Public Spaces, Public Safety and Engagement, or Zoning and Economic Development), please reach out to me! I am happy to connect you with the relevant committee chair.

Personal Note

My wife and I are expecting our first child sometime later this month/early March! If I am delayed in responding to anything in that window, that is likely why. We are also accepting any parenting tips that you might have so feel free to share!

Help Clear Icy Sidewalks & Crosswalks!

Our crosswalks are covered with ice and snow.

They likely won't melt for weeks. Icy sidewalks and crosswalks can be dangerous, especially for kids, seniors, and folks with strollers or mobility needs. If you're free this weekend, please join me in helping clear the crosswalks!

Safer Sidewalks and Crosswalks for Everyone

Saturday, February 7 at 12 pm

Meet outside 2605 Sherman Ave NW

Not able to make it? We will likely need extra shovels and hammers to break up the ice. Please let me know if you can lend us yours!

And as always, please reach out if you have any thoughts/questions about the neighborhood!
